

In order to provide a Clean Vehicle Pass, this website collects personal information including Names, Addresses, Phone Numbers, Email Addresses, License Plate Numbers, Vehicle Identification Numbers, and Credit Card information. Additionally, use of a Clean Vehicle Pass transponder in the Express Lanes will generate a record of use of the Express Lanes, which will include the location of the read and the date and time the transponder was detected.

The data submitted will be used for verifying applicant qualifications for a Clean Vehicle Pass, as well as shipping Clean Vehicle Pass transponders, and physical and electronic communication regarding your Clean Vehicle Pass. The data collected by use of the transponder in the Express Lanes will be used for measuring performance and other analytics of the system. This data will not ever be sold to outside parties.

This data is required in order to obtain a Clean Vehicle Pass. If this information is not provided with your application, UDOT will be unable to provide the applicant with a Clean Vehicle Pass.
